

I was born in 1986 in Spain, and I am an Australian citizen.
I'm looking for my next job.

Experience and Education

2023 - 2025

Developer at Messy Collective:

Working as the sole developer in the company, along with a team of designers and project managers. Employment ended due to lack of new web projects in the pipeline, can be confirmed by reference.

- Developed endthegenderpaygap.gov.au, a web quiz game addressing gender pay gap inequality, for WGEA, the corresponding **Federal Government Agency**.
- Won **Awwwards Honorable Mention** and **WD Favourite Web Design** for wecreatedifference.com, built using Next.js.
- Developed suntoryoceania.com, a new multi-beverage conglomerate that includes brands like Pepsi, Boss Coffee or V Energy. Built a system of **custom Gutenberg components** to facilitate **content management** while preserving a **modern** and complex frontend.
- Managed servers, proposed and executed a migration to host the internal staging websites in **AWS instances** and proposed and implemented **company-wide process improvements**. Provided clients with technical guidance and liaised with their IT teams as needed.

2021 - 2023

CX Developer at Transformd:

- Developed custom dashboards for final clients using **React**, leveraging the platform's internal **APIs**. Final clients include Tennis Australia, Cabcharge, Australian Ethical, Cuscal.
- Worked closely with the product team to gather requirements for product development. **Worked closely with clients for feedback and training**. Documented solutions.
- Developed and released a **Stripe integration** for digital payments within platform workflow.

2018 - 2021

Digital Developer at Police Bank:

- Developed a **completely custom CMS for the bank**, using **Wordpress** as a headless CMS, React and MySQL. 12,000 entries, 160 users, 80,000 notes in its first three months.
- Developed online Personal Loans application portal. Frontend integrated via React with Transformd form engine. API connection with 3rd party decisioning platform.
- Won annual **Star Achiever award** in my first year in the bank.

- 2017 - 2018 Freelance development of **web apps for Counterpart Solutions**
- 2011 - 2017 Web development and Graphic design freelancer, using primarily **Wordpress**.
- 2010 - 2011 Masters Degree:
Interactive Digital Technologies Universidad Complutense de Madrid
- 2005 - 2010 University Education:
Degree in Communications Universidad Complutense de Madrid
